### 03. LAYOUT

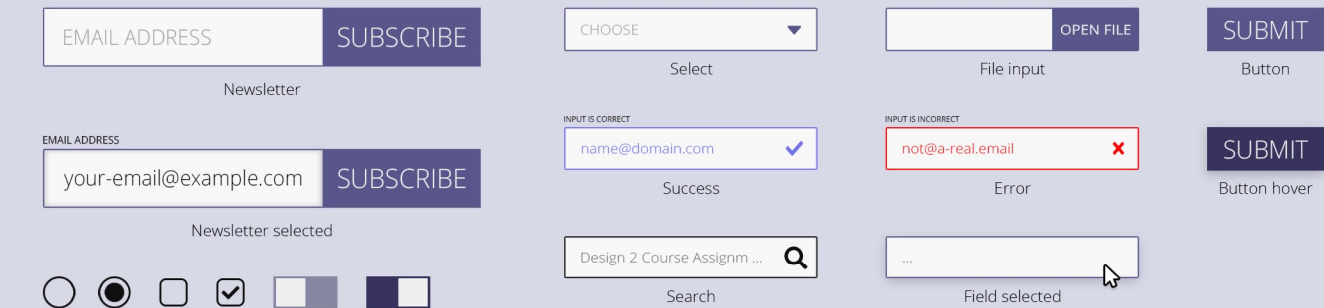

This website is built on top of Bootstrap's vertical 12-column grid. Each column has a 15px horizontal padding (gutter) to control spacing between them. This gives a total of 30px gutter between each column.

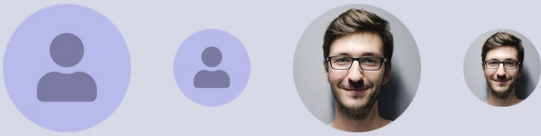

### 04. BUTTONS

### 05. FORM ELEMENTS

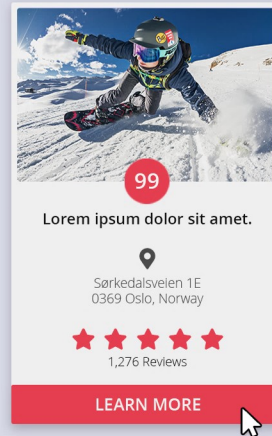

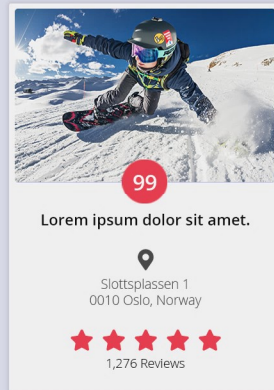

## 06. AVATARS, IMAGES & CARDS

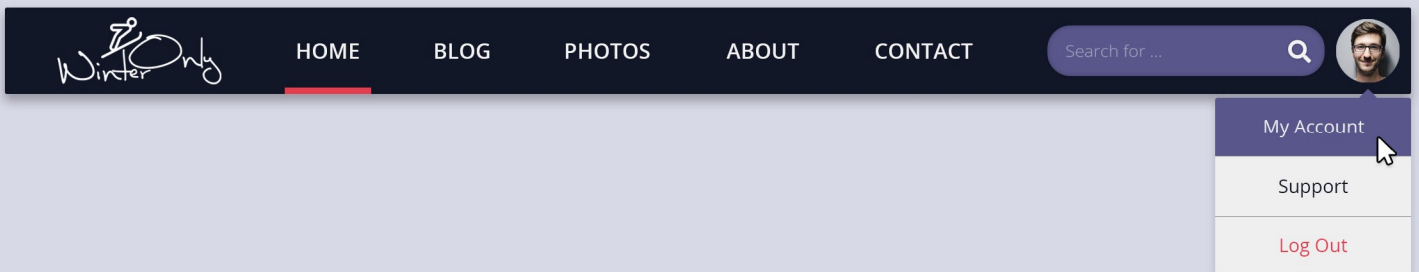

Images should always either have direct drop shadow applied, or the element the image is on should have drop shadow on it.

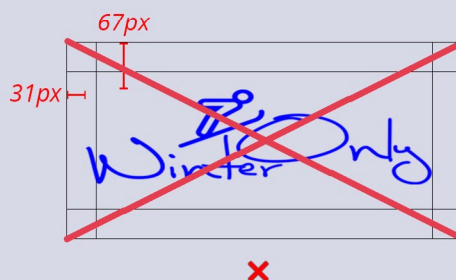

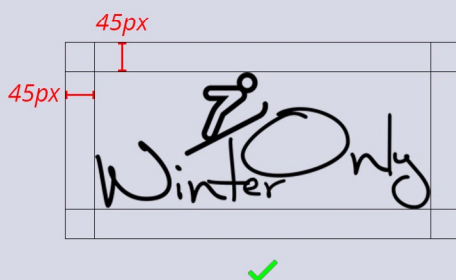

Images should also always have 5px rounded corners.

## 07. NAVIGATION

## 08. LOGO

The "Winter Only" logo shall only appear in black or white, and should never occur in other colors. The logo shall always have a margin of clear space on all sides around it that equals a minimum of 45px. When using the "Winter Only" logo, make sure it retain its proportions and is never stretched or altered in any way.
